**On-demand transit service could be coming to West Des Moines**

*Residents encouraged to attend a public meeting or complete a short survey*

After soaring demand for [DART On Demand](#) in Ankeny since it was introduced in November 2021, DART is proposing a new DART On Demand transit zone in West Des Moines. DART is hosting public meetings and events and asking people to [complete a survey](#) to provide feedback on the proposed changes.

**What changes is DART proposing?**

The addition of a DART On Demand zone in West Des Moines would result in the elimination of [Local Route 72](#), which currently travels in a loop between the Jordan Creek Town Center area, University Avenue medical corridor, Valley West Mall and the Valley Junction Area. DART is also proposing to re-route a portion of [Local Route 52](#) to travel on University Avenue west of Valley West Mall instead of on I-235.

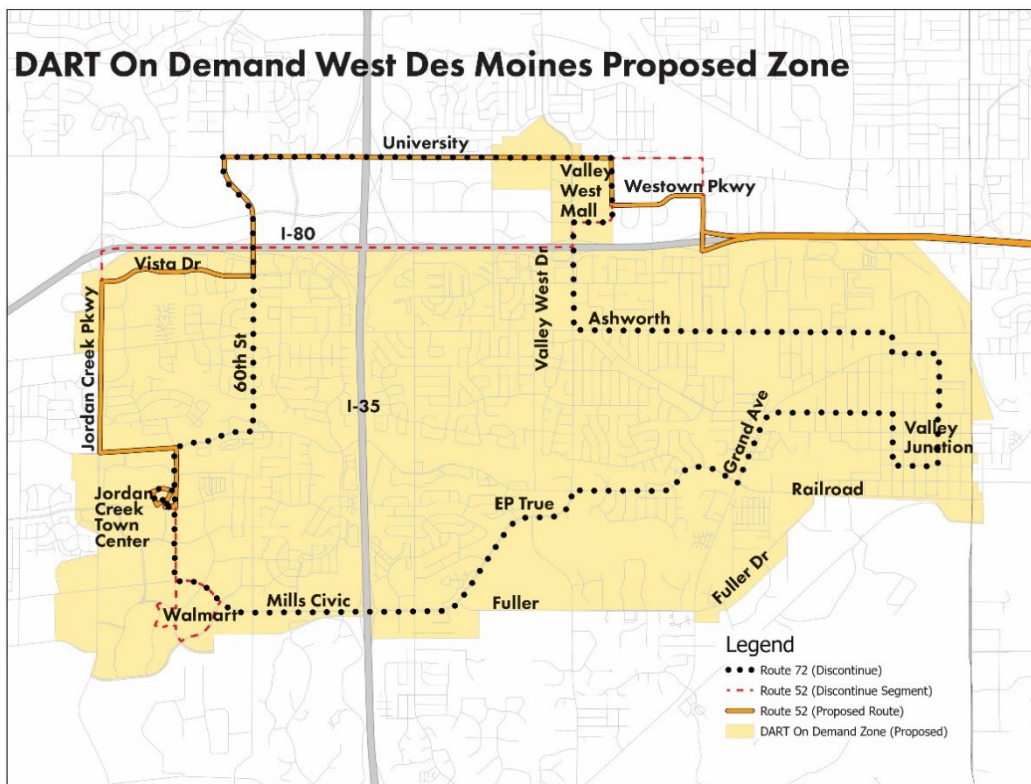

**What is DART On Demand?**

DART On Demand is a point-to-point service, allowing riders to book on-demand trips that start and end within a designated zone. This service will operate using smaller transit buses, with riders sharing trips with others who are traveling at similar times to similar locations. All buses are equipped to provide service to riders using mobility devices and will also include bike racks. Rides can be reserved using the DART On Demand app, through a web portal, or by calling DART Customer Service, and can be booked as you need them or reserved in advance.

DART is proposing a fare of \$1.75 for trips on DART On Demand in West Des Moines. Riders who qualify for half-fare will be able to pay half the cost to ride the service. Proposed hours of service would be:

- **Weekdays:** 4:15 a.m. – 11:30 p.m.
- **Saturdays:** 5 a.m. – 11 p.m.
- **Sundays:** 6:30 a.m. – 7 p.m.
