The Des Moines Area Regional Transit Authority (“DART”) is a regional transit system created under section 28M of the Code of the State of Iowa. DART owns and operates buses, bus shelters, a garage and other properties (collectively referred to as “Transit Facilities”) in conjunction with its regional transit system. It is in the public interest to make advertising space available on certain designated transit facilities to generate revenue and help fund the operation of the regional transit system.

I. PURPOSE

1.01 Nonpublic Forum; Commercial / Proprietary Functions. DART will make space on its transit facilities available for limited types of Permitted Advertising (defined in Section 2.02 below) in accordance with the policies and standards contained herein (this “Policy”). By allowing Permitted Advertising on or within its designated Transit Facilities, DART does not intend to create a public forum for public discourse or expressive activity, or to provide a forum for all types of advertisements. The display of Permitted Advertising on designated Transit Facilities is intended only to supplement fare revenue, tax proceeds and other income that fund the regional transit system.

1.02 Intent of Limits on Advertising. By placing reasonable limits on Permitted Advertising displayed on or within its Transit Facilities, and by not accepting Excluded Advertising (defined in Section 2.01 below), DART’s intention is to:

- (a) maintain an image of professionalism and decorum;
- (b) maintain a professional advertising environment that maximizes advertising revenues and minimizes interference or disruption of the commercial aspects of its regional transit system;
- (c) maintain and portray an image of neutrality on political matters and other noncommercial issues that may be the subject of public debate and concern;
- (d) foster a safe and secure environment on or within DART Transit Facilities;
- (e) avoid subjecting its passengers and other members of the public to material that may discourage them from using regional transit services, and avoid any decrease in transit ridership;
- (f) avoid displaying content that is not suitable for minors; and
- (g) preserve and augment revenues by attracting and maintaining the patronage of passengers.
