DART is now on Bing Maps

Residents and visitors of Greater Des Moines can now plan their trips by public transit using Bing Maps.

The Des Moines Area Regional Transit Authority (DART) has worked with Bing to add its schedule information to Bing Maps. As a result, users of Bing Maps will now be presented with options for taking their trips in Greater Des Moines by transit.

The addition of DART's schedule information on Bing Maps follows the launch on October 1 of the MyDART Trip Planner BETA on www.ridedart.com. Both tools utilize the same data, giving riders multiple tools for accessing DART schedule information.

The Des Moines Area Regional Transit Authority is the public transportation provider that serves Polk County. DART operates a family of transportation services that makes getting around the Greater Des Moines area easier and more convenient. For more information about DART services, schedules, route changes, or directions to the nearest DART stop, visit the website at www.ridedart.com or call 515-283-8100.
